

Meet & Greet/Play Date/Key Pick Up

(No pet sit will be done without an initial interview)
This is a get to know each other visit.

At this time we will collect important information about your furkids, their routines and your home.

Go over completed forms, get keys & collect payment.

This will take up to 30 minutes depending on your needs & how many pets.

We want to make sure you and your pet are acquainted and comfortable with us.

**If an additional return visit is needed to pick up keys before and after visits are performed a \$10 travel fee will be charged for each visit.*

We suggest getting a lockbox for your door if you do not want us to have keys on file.

We will make an extra key for backup purposes with keys kept on file.

We accept credit/debit cards, PayPal & online checks payments via IPN.

All payments are due before services are rendered.
